

Your Ceremony, Your Story With Carolyn the Celebrant

Ceremonies crafted with heart, humour, and meaning

Whether you're planning a wedding, a vow renewal, or a naming ceremony your story deserves to be told with warmth, authenticity, and soul.

This Ceremony Starter Kit is here to spark ideas and open possibilities — an invitation to dream, not a script to follow.

I'm Carolyn Holmes, your celebrant, ready to hold space for your story and co-create something that feels true to you.

Let's begin...

Let Your Story Be the Ceremony

Heartfelt, inclusive, and collaborative ceremonies for every milestone

Whether you're marking love, life, or new beginnings. I specialise in Weddings, Vow Renewals, Naming Ceremonies, and Seasonal & Themed

Weddings & Vow Renewals

Ideal for couples who already have their vows prepared or prefer to speak from the heart. Includes up to 2 online meetings (in-person if local), warm steady support, a ceremony script shaped around your story, and a tree planted in Devon.

 **Soulful** From £549 (Weddings) / £449 (Renewals) A deeper, more expressive ceremony with space to shape meaningful elements together.

Includes up to 3 meetings (online or in-person if local), one symbolic ceremony (such as handfasting or candle lighting), vow support with a booklet and 1:1 feedback, optional bilingual touches, guidance on readings and music, light guest support, a digital keepsake script, and a tree planted in Devon.

Contd.

Prices valid until 31 Oct 2026 (lower-season shown; peak-season quoted after Vision Call).

Let Your Story Be the Ceremony

Soulful In-Depth Ceremony From £895 (Weddings) / £795 (Renewals)

A fully immersive ceremony experience with rehearsal, deeper collaboration, and full integration.

Includes everything in the Soulful Ceremony, plus an optional rehearsal, full bilingual or multilingual integration, enhanced communication with more check-ins, multiple symbolic elements, full guest support, a ritual-token keepsake, and a tree planted in Devon.

Planning a family celebration? You might consider including a Naming Ceremony within your wedding—an emotionally resonant way to honour your child or loved ones as part of your day. Ask me for details.

Essence and Soulful ceremonies can include an **optional practice session** for an additional fee – just let me know if a rehearsal would help you feel grounded and prepared.

Themed ceremonies – from Viking to pirate-inspired celebrations – can be included within any tier. The level of creative work involved simply guides where the ceremony sits within your chosen tier.

Peak-season dates in June, July, and August carry a higher fee, which will be confirmed after your Vision Call.

Quotes are tailored after our Vision Call, with a gentle Ceremony Audit to reflect your story, needs, and time of year. Seasonal gifts and special touches may be available – just ask what's blooming. Prices valid until 31 Oct 2026 (lower-season shown; peak-season quoted after Vision Call).

YOUR PERSONAL GUIDE: PREPARING TO MEET YOUR CELEBRANT

01

YOUR VISION

First have an idea of how you envision your ceremony, including the style, tone, and any specific traditions or elements you want to include. Create a mood board, drawing, video or a list of inspirations to communicate your vision effectively.

03

BUDGET

Know your financial limits and what you're willing to spend on different aspects of the ceremony. Decide what is most important to you and what you are prepared to spend more on

05

QUESTIONS / CONCERNS

It's important to address any uncertainties or special requests you may have. List down any questions, concerns, or special accommodations you need to discuss with your celebrant/event planner.

02

KEY GUESTS WHO WILL HELP YOU

Consider the size of your event and who you plan to invite. From your guest list, think about who or what animal will be a ring bearer, who will hold your vows, who will be the Master of Ceremonies, who will hand out booklets and who will manage the music and entertainment

04

PERSONAL STORIES

Personal touches make ceremonies and events memorable. Think of stories or moments that define your relationship or the occasion. Write down a few key stories or themes you'd like to be incorporated into the ceremony or event.

AND CREATE SOMETHING BEAUTIFUL

Ready to book your Vision call?

You'll find my gentle one page guide, "**Preparing to Meet Your Celebrant**," on the previous page. It offers prompts, questions, and reflections to help you feel confident and curious as you begin.

I also offer a funded first meeting — a free ceremony audit vision call. This is a gift, with no pressure, only possibility. It's a chance to explore your ideas, ask questions, and see if we're a good fit. The guide is yours to use as a starting point, so you can arrive feeling ready, not rehearsed.

You're welcome to reach out via WhatsApp, email, or carrier pigeon (just kidding — though I do love a poetic message). Any questions, please ask:  ritesofw@gmail.com | [WhatsApp 07305002858](https://wa.me/07305002858) | www.ritesofway.com

Please also explore my website blogs: [Modern Ceremony Planning Tips](#) — gentle guidance on ceremony planning, vow writing, and meaningful rituals. It's a space for reflection, inspiration, and emotional clarity.

Thank you for considering me as your celebrant. I'd be honoured to help shape your ceremony with heart and humour.

Master Celebrant*
